Sir John Egan

Chairman

# Highlights

- Outstanding results show further year on year growth
  - *Profits up in all our core markets, except Greece*
- Headline profit before tax at £100.8m, up 14.7%
- Headline earnings per share at 93.9p, up 15.5%

# Highlights *continued*

- Continued trend of reporting an increase in profit at every set of interims since July 1999
- Strong financial performance
  - *Despite more challenging conditions in a number of markets*
